

## CPCCWHS1001 Prepare to work safely in the construction industry "white card"

Real Training  
Real Machines

Training Cost \$120.00 less  
\$80.00 CITB rebate for  
eligible workers

### Create real employment opportunities with RED EARTH TRAINING SOLUTIONS

#### Course Objective:

Under WHS legislation, workers on construction sites in Australia must undertake general induction or "white card training" and carry evidence when working on a construction site. This training provides participants with a common understanding of WHS principles and practices used on generic building, construction and civil sites.

#### Course Outcome:

On successful completion participants will be issued with a Statement of Attainment for CPCCWHS1001 Prepare to work safely in the construction industry and a wallet size plastic white photographic ID Card.

#### Assessment and Course Delivery

Assessment is theory and oral with classroom interaction and also includes a construction site audit. Courses are small group, 1 day (8 hours) and are run on demand

#### Course Content

- Identify and understand roles, responsibilities and rights of duty holders
- Understand WHS communication and reporting processes
- Apply the principles of risk management
- Identify common hazards and control measures
- Interpret and apply safety information and documentation
- Use safe work practices and correctly identify and fit Personal Protective Equipment including eye and ear protection, hardhat and high visibility reflective vest.
- Respond to WHS incidents

#### Pre-requisites

- Students must be 18 years of age and be able to speak and understand basic English to communicate to a level in order to perform their duties safely.
- Students must wear a long sleeve shirt, steel capped boots and long trousers while attending the course
- Students must provide photo identification upon enrolment in the course (e.g. driver's licence; passport or proof of age card)
- Students must have a unique student identifier (USI) to obtain their nationally accredited certificate or qualification. To apply for a USI go to [www.usi.gov.au](http://www.usi.gov.au)
- Students are required to read the learning materials prior to attending the course

Cost per participant includes learning materials and qualification. Subsidies are available for building and construction industry participants with a valid CITB eligible worker ID number. To find out if you are eligible for funding please contact the Construction Industry Training Board (CITB) on (08) 8172 9500.
