

FEE SCHEDULE

RED EARTH TRAINING SOLUTIONS provide *one machine per operator* to allow the participant maximum time on machinery whilst training with the exception of Forklift.

Fees quoted include course fees, administration fees and material fees.

Replacement qualifications / testamurs incur a \$30.00 fee.

Generous discounts apply for combination machine training and/or assessments.

CONSTRUCTION INDUSTRY TRAINING BOARD (CITB) "DISCOUNT CARD"

To enable the participant to receive CITB funding for training cost reduction please apply online at www.citb.org.au prior to the training or assessment. It is recommended if you have not used your CITB funding in the last 6 months that you contact CITB to ensure that it is still current.

If you have provided Red Earth Training Solutions (RETS) with a CITB number on enrolment or if RETS has checked your eligibility at the time of enrolment and on completion of training your CITB funding cannot be processed please be advised that you will be invoiced the full price. This amount MUST be paid in full before issuance of any Testamur, Statement of Attainment or Competency Card

MACHINE – TRAINING AND ASSESSMENT

This training and assessment is to give participants the relevant skills and knowledge required to operate machinery at a basic level with issuance of a Competency Card after successful completion

Machine Type	Training Days Required	With CITB	Without CITB
Roller (LR)	1	\$410	\$600
